SHRULE LADIES CLUB

Mrs Bernadette Gibbons was elected Chairperson of Shrule Ladies Club at their recent A.G.M. Margaret Steed (how's the fan club going?) is secretary and Teresa Greaney is treasurer. The cry will rent the air, the same old gang. That is because nobody came along to challenge them. I know from talking to these Ladies they would have wished for new faces to become involved in the Ladies Club. However the show goes on and as well as the usual activities they are planning a fancy dress for sometime in November. They appeal to anyone with ideas to start work immediately. You will be notified of the exact date in the "Bridge".

BINGO..BINGO.....BINGO.....BINGO...BINGO.....

With the return of Bingo so are the long winter nights.

RIVERSIDE CELTIC FOOTBALL CLUB

The local Soccer CLub, Riverside Celtic are having a most sucessful season.They are unbeaten in Division 3 of the Galway and District Junior League and this weekend play Corofin in the second round of the Junior cup. Mark O'Connor is manager and Ger Geraghty and John Greally are his able assistants. Ger Mullin is club Chairman, Michael Henneghan is Secretary and Maurice Greaney is treasurer.
Ronan Gibbons is a most eficent P.R.O. The following buisness people sponsor the club; Gibbon's Bar Shrule, McHale Engineering, Kilmaine, Imperial Motors, Cong, James Molloy, Shrule, Joyce Trailers, Kilmaine, Bank Of Ireland, Ballinrobe, Irish Permanent, Galway, Clada Minerals, Galway, Malachy Flanagan, Kilmaine and the Presentation College in Headford.
The emphasis is mainly on enjoyment and it's clear from speaking to any member of the club that there is good spirit and dedication. It is not a closed shop and new members would be welcome with open arms. I would like to think that is one of the legacys it inherited from the old Soccer Club. They deserve support
They have gererously sponsored this weeks "Birdge"

FASHION SHOW

My old Alma Mater, Ballycushion N.s. are holding a fashion show in Murphy's Lonuge , Kilmaine on Monday night (21st). Fashions are by Network Boutique, Headford (Propetioress, Mary McHale, a past pupil of the school). I am told there is also a monster raffle so if you are on the lookout for a monster this could be your chance. I suppose Donal Acton, David Kelleghan and the boys are available if they are called on to do a spot of modelling. So for a good night our Murphy's, Kilmaine, Monday night 9.pm.

G.A.A. FIXTURES

Shrule play Davitts in the final game of the Mayo League Div.1 in Shrule on Sunday(20th) at 3.p.m. Martin Murphy, Ballinrobe is referee.

Glencorrib Under 13 footballers play Ballinrobe in the South Mayo under 13 league also on Sunday at 11.30. P.S. I ommitted Chris Lawless of Wakefield last week in the list of local Ladies assisting The Neale in the County Junior Final along with Georgina, Jacqueline and Marie they dedeated Westport in the Final. Well done Ladies.

PAGE THREE CORRECTION

If I did not know better I would suspect Sean Frehan would be having a good laugh at me telling you that Susan Lee was on last week's badminton photograph. Of course everyone knew it wes Eileen McCarthy of Dalgan. The photograph was identified to me over the phone(yes over the phone). The lady at the other end of the phone is right 99.9% of the time, but even Homer nodded. So we apoligise for any embarrasment, annoyance, or inconvenience caused. Now if we could get a photograph of Susan Lee we would have everyone happy.

I know Mrs. Mortimer was delighted with her apperance on Page 3 and Martin Meeneghan tells me the boys in the workshop are treating him like a celebritv. I know the feeling Martin.

FOGRA

All going according to plan we hope to do a special feature next week on Shrule Community Centre, mentioning Community Centres I would love to have photographed Michael Biggins and Gerry Murphy outside Glencorrib last Saturday evening for our Page 3, masks and all. Well done fellas for the spraying and the work you'v carried out at the centre. The cards continue on Wednesday nights in Glencorrib , 8.30.

The Boys are back in town

Johnny Glynn, Galway United captain, expressed one wish after scoring the winning goal at Lansdowne Road — to cross the bridge at Shrule to meet the members of Riveside Celtic. "I've always been a great fan of **Tommy Heneghan**, his close control would be a credit to any Manchester United side," said Glynn.

And he confessed that he has a head-and-shoulders shot of Ronan over his bed. "It was taken during Riverside Celtic's penalty shoot-out victory over Borussia Munch-a-glad-back three years ago. "Ronan didn't actuallys save any penalties, but I understand he has since got in touch with PJ McCabe, and Padraig Flynn," added Glynn.

A High Court ruling last night prevented us from picturing the man on the left of Johnny as you look, and we have blacked out his face. No, it's not **Salman Rushdie**, **Ronan Ruane** (unwanted in Shrule after that free) or **Tom Cawley**.

Glencorrib Cards

Last week's results from Las Vegas (i.e. Glencorrib):

1 and 2 divided between Jim Mullin and Jack O'Brien; Nora and Eamon Rattigan; 3 Pauline Ryan and Melissa Bohan; 4 Conor Hayes and Sylvie Linnane (I'd say we'll have a big crowd next week).

Glencorrib male dancers are looking for female partners (isn't everyone in the country) and if you're interested in the Stack or Barley or the Siege of Ennis or the Walls of Ballsnahina (coined by **Petty, John**), contact local dance-caller **Mohan, Tom.**

Next week: U.F.O.s in Glencorrib (I'm serious). "I was shocked," says Padraig Moran.
